By signing this form I agree to enroll myself and family in the Oak Brook Smiles Dental Savings Plan. I understand that with this enrollment, each member of my plan will receive one complimentary periodic exam, four bitewing x-rays, and an oral cancer screening within the benefit year in addition to a 20% reduction of fees for ALL dental services (some exclusions apply; see following page for details).

MEMBER TERMS AND CONDITIONS

The Oak Brook Smiles Dental Savings Plan is a membership-based plan that will begin on the first day of enrollment (Plan Start Date) and will expire one day before the original start date of the following year (Plan End Date). This will be considered the "benefit year". Enrollment/membership will begin on the day in which the completed/signed enrollment form, Member Terms & Conditions form, and full payment of the membership fee is received. This is NOT an insurance plan. You are responsible for all treatment fees at the time of service.

By enrolling in this plan you are guaranteed a 20% reduction of fees for all dental services, including cosmetic procedures, implant dentistry, and whitening services within the benefit year. The 20% reduction of fees DOES NOT apply to past due balances or services rendered prior to the Plan Start Date. Your membership includes one complimentary periodic exam, four bitewing x-rays, and an oral cancer screening per benefit year. Unlike traditional dental insurance plans, there are no waiting periods, annual maximums, deductibles, or frequency limitations.

If you are an existing patient you can take advantage of your one complimentary periodic exam, four bitewing x-rays, and oral cancer screening at your next recare appointment (once within the benefit year). If you are a new patient your first exam at Oak Brook Smiles is a comprehensive oral exam, and thus your complimentary periodic exam would occur at your next recare appointment within the benefit year. Your complimentary periodic exam, four bitewing x-rays, and oral cancer screening do not need to be done within one visit; you may split them up throughout the benefit year.

The Oak Brook Smiles Dental Savings Plan cannot be combined with ANY other discounts. If you currently are insured under a traditional dental insurance plan or discount plan that Oak Brook Smiles is contracted with as a "participating/in-network" provider, we would be unable to enroll you as a member due to contractual violations with your insurance company or discount plan. If you do carry a traditional dental insurance which Oak Brook Smiles is NOT contracted with (i.e. "non-participating/out-of-network" provider), then you are able to enroll in the Dental Savings Plan. However, this savings will not be effective until you have reached the annual maximum with your dental insurance plan.

The Oak Brook Smiles Dental Savings Plan cannot be applied towards retail products such as Sonicare toothbrushes, Sonicare toothbrush replacement heads, AirFloss, MI Paste, Dry Mouth gel, custom whitening trays and refill whitening gels.

A member may terminate his/her membership in the Oak Brook Smiles Dental Savings Plan at any time during the Plan year. However, the membership fee will ONLY be refunded within the first 30 days of enrollment if the member wishes to terminate within the first 30 days of enrollment. The membership fee will not be refunded for any reason beyond this initial period.

Oak Brook Smiles reserves the right to terminate the membership should the need arise in terminating the relationship with the patient due to a severe breach of office policies set forth by Oak Brook Smiles. If a patient is being terminated from the practice (and consequently from the membership to the Dental Savings Plan), the patient/member will be notified in writing by US Postal Mail at least 30 days prior to the termination date. No refund will apply.

By signing this form, I agree to the terms and conditions of the Oak Brook Smiles Dental Savings Plan.
